

The health and well-being of our customers, students and staff is our highest priority. With that in mind, we have made the decision to temporarily close our training center stores, QC Junction Café and RePurposed Thrift Boutique, beginning Friday, March 20th and will continue to monitor and follow the guidance of local, state and federal health officials to assess when we will reopen.

We are so proud of how our teams have worked together during this difficult time and the support from you, our customers.

Updates will be posted on our Facebook pages: RePurposed Thrift Boutique and QC Junction Café. If you have any questions or thoughts you want to share, we'd love to hear from you. We are fully committed to our mission of improving the lives of youth, families and communities and we're grateful to be part of yours!
